Your shipments are never out of sight

SpeedLink Shipping Tools extend from simple online booking to sophisticated systems that integrate shipping with other business processes, offering you the ultimate in efficiency and convenience. SpeedLink Tracking Tools use advanced shipment event management technologies to ensure that you know where your shipment is at all times. These tracking options are available to you free of charge:

- **Website:** Simply click on the 'Track Your Booking' link on the confirmation emailed to you on booking.
- **E-Mail:** Send an e-mail to our operations centre at operations@speedlinktransport.eu

Take advantage of these optional services

Because every business is different, and every day brings something new, SpeedLink Express offers a variety of optional services and handling options to meet your shipping needs.

- **Insurance:** Additional financial protection based on the value of the shipment.
- **Proof of delivery:** A copy of the signature collected at the time of delivery.
- **Proactive delivery notification:** We can monitor where your shipment is from pickup to delivery and as soon as it is delivered, notify you by e-mail.
- **Remote Area Service:** If you need SpeedLink to deliver your shipment to a remote part of the country, that's no obstacle for us. We'll let you know what the options are.
