SPEEDLINK CREMATED REMAINS & REPATRIATION COURIER

Your Courier for CREMATED REMAINS

Losing a loved one in death is an incredibly sad and devastating event. SpeedLink has extensive experience in helping bereaved families arrange for the transport of their loved ones cremated remains from anywhere in the UK, Europe or the globe to virtually any destination - without having to worry.

SpeedLink - the UK's most reliable specialist courier company, has been taking the worry out of peoples unique shipping requirements for well over a decade.

Our services are focused on getting your loved ones cremated remains to their destination in a dignified, attentive and caring manner. And, we pride ourselves on offering a bespoke service - to you.

SpeedLink has a truly global reach - giving you the assurance that your loved ones cremated remains can either be brought home in the safest manner possible or transported to the resting place they themselves wished for.

*“They were kind,
super-fast
and efficient.
I would use again.
Thank you.”*

From Crematorium to Home.

SPEEDLINK CREMATED REMAINS & REPATRIATION COURIER

Cremated remains shipments and related services require the utmost care and attention. SpeedLink has extensive experience in supporting bereaved families, funeral home directors, crematoriums, local authorities, government ministries and NGO's.

Why you can trust and rely on SPEEDLINK

Cremated Remains shipments are unique and with SpeedLink, each transport benefits from the following support:

- A dedicated, personal and central point of contact
- Local, nationwide and international services by road, rail & air
- Compliance with local or regional regulations regarding transport
- Live, real-time tracking and instant delivery notification
- Flexible pick-up times and direct drive service as standard
- Direct contact with the courier handling your loved ones remains
- Mobile and desktop tracking options
- All-inclusive pricing

“We couldn't believe how helpful and caring they were.”

Take advantage of these optional services

Because every situation is different, SpeedLink offers a variety of optional services and handling options to suit your needs:

- **Ashes Scattering Service:** We can provide a tailored Ashes Scattering Service virtually anywhere complete with instant notification of completion
- **Secure Storage:** Safe and secure storage is available whilst cremated remains are waiting for the next scheduled movement
- **Flexible Payment Options:** Choose to pre-pay in advance as part of funeral planning or on urgent bookings by credit or debit card
- **Local Authority Compliance:** We ensure all local regulations are followed and paperwork is completed
