SPEEDLINK EXHIBITION COURIER & TRANSPORT

Product Portfolio

SpeedLink Direct Drive

Definition

Fast road-based transport with dedicated vehicle and driver (UK & Europe).

Best For

Direct transport to a UK or European destination that can be reached by road prior to build-up or event start.

Sub-Products

- Out-of-Hours/Weekend Service
- Venue Queue Protocols

For shipments that need to be collected with care and delivered by road to a UK destination on a timed delivery. This service is also available for road shipments to Europe.

Out-of-Hours/Weekend Service - Many events will have build-up and breakdown times outside of normal business hours. SpeedLink accommodates collections and deliveries around the clock.

Venue Queue Protocols - Booking into queue systems and parking deposits are accommodated.

SpeedLink Direct Rail/Air

Definition

Direct flights worldwide using the first, most suitable aircraft for lift-off.

Best For

Urgent delivery by rail or air to a UK or international address that cannot be reached by road within the same day.

Sub-Products

- Next Train/Flight Out
- On-board Courier

A next train/flight out service whether you need to get your package to the other end of the country, Europe or across the world. And because we have exceptional customs expertise and experience, we eliminate the hassle of international shipping.

SpeedLink Day Support

Definition

SpeedLink can provide additional event support with personnel assisting with build-up or breakdown.

Best For

Additional time can be added to assist with errands, shopping, or other event logistics.

Sub-Products

- Stand Build/Breakdown Support
- Roadshow Service

SpeedLink can supply personnel to help with stand setup, breakdown or other related tasks on site.

Stand Build/Breakdown Support - For simple and straightforward setups we can have popup stands setup and ready in advance of staff arrival.

Roadshow Service - Moves from one venue to the next on successive days can be arranged.

“fantastic support from the beginning to the end every time”

Extensive experience across these countries

- United Kingdom
- France
- Benelux
- Germany
- Spain
- Italy
- Denmark
- Poland
